

Valore wardrobe

Valore wardrobe by Team 7

Whether with hinged or sliding doors: the Valore wardrobes provide exactly the required storage space. As in the interior with its many practical functions, there are many possibilities for the exterior: Design its doors in solid wood, coloured glass or in a combination of both. Cross-grained fronts and the integrated wooden strip handle are characteristic of the valore sliding door wardrobe. The Valore wardrobes with hinged doors are available with flap handles in wood or stainless steel, as well as bar handles.
