

Cajones lamp

In 2009 we commemorated the 20th Anniversary of the death of Salvador Dali and BD wished to add its special homage by producing a special limited edition of his fantastic furniture collection. All the finishings are based on black, with aged black patina on the casted brass, Black Marquina marble of the famous egg, darkened gold leaf and dyed lime wood satin in black for the upholstery and lingerie chiffon, also black for the lamp shades. Refined materials and handcrafted manufacturing to bring up to date a furniture collection that BD Barcelona has sold exclusively all over the world since the 90s, guaranteed by The Gala Salvador Dali Foundation responsible for the painter's rights. The Black Label Collection comes to the market in a limited edition of 105 pieces (the age of Dali in 2009).

Cajones is a carved structure in pale varnished lime-wood or black stained and varnished (black label), and a beige or black linen shade.
