

Gardenias Armchair

It has quality, personality, elegance and just the right amount of romanticism and much versatility for the home as well as contract. The indoor collection includes an armchair, an armchair with pergola and a sofa with a more refined image, which we present with new finishes and upholstery.

Structure in cast aluminium and laminates in extruded aluminium. Powder coating in Alestia Anodic Black or in high-gloss yellow (RAL 1005). Seat and backrest upholstered in different fabrics and leathers provided by BD. Piping in the same color as the structure.
