With Rolf Benz 620, we offer you individual solutions for seating furniture at the dining table and counter, ranging from chairs to a modern bench and barstools. You can assemble the chair entirely according to your taste; available in two backrest heights, as a cantilever chair with round or square tubing, or with a modern, swiveling plate foot in matt or high gloss chrome. Optimum seating comfort is provided by a comfortably padded seat back shell that rocks pleasantly. The three dimensional curved arm rests offer even greater comfort and are available in leather, walnut veneer, or oak veneer.
