

RH-305 chair

A chair that has lost none of its elegance and style since it was created in the 1950s – an icon. The re-edition remains a classic, but has been adapted slightly to meet modern requirements with a slightly slimmer upholstered surface, a modified seat height and a frame that has been adapted to meet new tilt requirements and modern needs. Also available with armrests or without quilting.

RH-305/01
