

# Low Lounger

Jaime Hayon introduced The Lounger in 2009 and is now introducing the Low Lounger with the same elegance and comfort that is required for this type of seat. Low Lounger has a lower backrest, specially developed for the contract market and with Hayon's unmistakable stamp.

Armchair with cast aluminum tubular base structure and a powder coated finish. Seat and backrest in plywood with surface in lacquered MDF, walnut nature effect, natural ash, ash stained oak or stained black.

Decorative metal buttons coated in the same finish as the structure. Armrests, seat and backrest upholstered in different materials and leathers.
