

# FM-330 Cleo recliner

Slim and self-assured in every setting - The Cleo easy chair is made for relaxing. Its striking modern lines transform it into a contemporary sculpture that enriches the room in which it stands. At the same time, its patented mechanism can be locked effortlessly in any position required to afford the ultimate in seating comfort. Whether upright with extended footrest for leisurely TV viewing or almost horizontal for perfectly relaxed lounging - thanks to its extra long leg section and perfect back support, the Cleo will always impart the level of exquisite comfort anyone might require.
