

Tokyo Pop Outdoor Stool

The Tokyo Pop collection marks, in 2002, the debut on the international scene by Toujin Yoshioka, now considered one of the masters of contemporary design. The sofa, the armchair and especially the day-bed and the stool, forget the banality of rotational molding to become sculptures. Unforgettable and unusual shapes. Indoor and outdoor use.

Armchair

33.8" W x 30.7" D x 29.7" H - seat height 16.5"

Sofa

69.6" W x 30.7" D x 29.7" H - seat height 16.5"

Daybed
