

Rolf Benz 50 sofa sectional

To mark its 50th anniversary, Rolf Benz is showcasing products that offer the very best in comfort, function, and design. As homage to the classic Addiform, the design of the Rolf Benz 50 anniversary sofa is inspired by our 1964 design icon. Thanks to its innovative relaxing function, superlative seating comfort and extraordinary variety of layout options, Rolf Benz 50 marks a further pinnacle of 50 years of expertise in the craftsman-led production of luxurious upholstered furniture. It has also been nominated for the 2015 German Design Award. Numerous intricate details such as the new pleated quilting seam and meticulously crafted flat fell seam accentuate its generous elegance.

RB 50 is available as and individual, modular, or corner sofa in a wide range of formats, in over 200 fabrics and 100 leathers. Its generous, lounge-like shape is the perfect invitation to experience relaxation on a whole new level. Choose between 2 seta heights and 2 seat depths, with 3 different foot designs (black painted, silver pearlescent, or polished chrome).
