

# Qbic 1365 Side Tables

DESIGN PATRIC DRAENERT 2014

Pure symmetry – comfortably designed. The QBIC combines fine craftsmanship with a timeless design. It appears like a solid stone sculpture. The edges of this cube are perfectly crafted – box frame construction mitered, glued, sanded and brushed to a leathered finish. Due to the natural figure of the stone, the stringent side table obtains its attractive playfulness. The recessed rollers allow effortless moving to the desired position.

The table is available in 180 different natural stones.
