

# Caruzzo Armchair

Caruzzo by Frans Schrofer for Leolux  
Reddot Award 2015 and "Good  
Industrial Design" 2015

Caruzzo by Leolux is a swivel armchair made just for you. It boasts a high back for your privacy and traditional upholstery details to ensure that Caruzzo is a feast for the eyes. The striking embroidered seam on the back of the seat is hand-made by Leolux craftsmen. It looks fantastic of course in a contrasting colour.

## Features

- available as a swivel armchair in two seat heights
- inside and outside of the seat can be covered separately in any Leolux covering
- aluminum base in 4 or 5 star version
- foot is finished in polished aluminum, the handle in chrome - both can be lacquered
- there are two matching footrests (Forte or Fine)
