

Rolf Benz 394 Lounge Chair

A declaration of love for seating - the essence of Rolf Benz 394. An elegant armchair that cuts an impressive figure either in combination or as an individual piece. Its visual appeal lies in the combination of the ample upholstery covered in fabric or leather and the delicate wire frame in polished chrome, traffic black or umbra grey. Rolf Benz 394 instantly impresses with its pleasantly soft seating comfort and can optionally be complemented with a matching footstool.
