

CLOCHE

Historical Archive, 1995 - 2014 Edition

Cloche is the makeover of Pudding, the hanging lamp from the FontanaArte Historic Archive designed in 1995. It comes in a range of soft, contemporary colors: pale and dark grey, mustard yellow and translucent white. When this latter version is switched on, the light creates a magical effect that enhances the design of the diffuser. 17.7" x 10.7" x 98.4"
