

# Nobi wall sconce

Nobi by Metis Lighting, 1992

In floor, wall and suspension versions, Nobi guarantees total practicality for innovative elegant design. The two bowl-shaped glass discs are held in position by a system of tiny springs and fastened to the metal frame by two pins. In this way the diffuser rotates on itself, directing its halogen beam as required.

Wall lamp in matte white BI (RAL 9003 matt), chromed CR or nickel-plated satinated NS metal frame. Frosted glass diffusers. Anodized aluminum reflectors for indirect beam and spacer for electrical connections are also available.

## DIMENSIONS

W - D - H (inches)

Ø 5.9" x 10.2"
