

Loft table

Its uncomplicated traditional design is characteristic for our Loft table. Pure solid wood and detailed craftsmanship make it a classic among TEAM 7 tables. The Loft table is available as a non-extendable or an extendable table with patented 2soft swivel technology. With its integrated insert panels, it can be extended by 60 cm to up to 370 cm in length on one side or on both sides. The loft table also comes with the option of a convenient cutlery drawer.
