

Tamarinde Chair

Valuable ideas come up wherever people share their thoughts. For all those who find after-dinner conversation just as important as a good meal, there is Tamarinde. A slender dining room chair with inviting extended arms and an adjustable back which you bring into a relaxed position after the dessert. After a fine meal, a good conversation can last hours with Tamarinde from Leolux.

Features

Armchair with castor wheels (black) or aluminium feet (option: lacquer or epoxy).

Tamarinde's open front makes it easier to stand up.

Comfort option: seat depth -2 cm and seamlessly adjustable back (option: with pull-loop left or right).

DIMENSIONS
