

Cuad suspension lamp

Designed by Burkhard Dämmer, the Cuad light is an architecturally pertinent pendant and one that illuminates a space with equanimity.

The Cuad's wood veneer cuboid shape recalls the spirit of midcentury modern style with an understated elegance. Yet beneath that calm exterior, powerful electronic technology works with tremendous fervour to ensure that Cuad delivers its versatile light across a range of interior environments.

Whether professional or playful, the surroundings in which the Cuad light is placed will enjoy its cool-headed demeanour.
