

# Gea suspension lamp

A versatile all-rounder, Gea is a solid and circular suspension, ceiling, wall and floor lamp (named 'Cosmos'). Designed by Mariví Calvo, Gea's modest form is smart, self-possessed and clean-cut. A steadfast performer, Gea radiates warmth from its wood veneer sides, the resulting effect satisfyingly serene.

In Gea we find a light that is unpretentious and yet highly accomplished, its versatility knowing no bounds. From a series of Super Gea pendants hanging in the hallways of power to a Gea ceiling lamp fixed in a minimalist space, this appealing light is reassuringly loyal.
