

X-Club wall and ceiling light

Hit the spot with the X-Club light designed by Burkhard Dämmer. With its curvy form, the X-Club emanates light with a sensual quality, akin to a three-dimensional kiss.

A wall, ceiling or suspension light, the X-Club confidently marks the spot wherever it is placed. Suited to numerous environments and contexts, from residential to retail, it is an especially impactful design when placed in clusters or rows. Light from the X-Club is both ambient and direct, with its wood veneer striking a prepossessing pose when illuminated.
