

DS-1051 /02 Chair

DS-1051 /02 by de Sede Design Team

Exclusive executive chair collection with a cutting-edge design and the DNA of a classic from 1971. Extremely delicate, elegant and luxurious in appearance, but without sacrificing the functionality and comfort. Seat and backrests lovingly hand-sewn with needle and thread, and expressive hand stitching on the sides. Available in various designs: High or low-back chairs, with or without armrests, as a cantilever or with five-star base.
