

DS-257 /11 chair

DS-257 /11 by de Sede Design Team

The executive armchair par excellence with a sense of tradition and a fine sense of luxury. Dynamic shape with forward-sweeping armrests and comfortable upholstery for sitting for long periods. Adjustable height and seat angle for additional comfort. Foam seat shell on a chrome-plated metal column. Stable five-star base in polished aluminium provides the necessary mobility at a desk. Available with hard or soft castors.
