

Swirl suspension lamp

Swirl excites the eye with its eddying and whirling folds, their twisting swirl a sensuous feat. Designed by Ray Power, Swirl is an accomplished pendant, its form thoughtfully considered and sculptured. Power's designs are typically based on geometry and his predilection for creating three-dimensional forms from flat materials (wood veneer). Swirl is no exception, its precise contours brought to life in stereo.

With a soulful character and presence, the Swirl lamp will vibe well with any interior. When a light is striking from every angle, one might expect more than a hint of conceit. And yet Swirl is wholly modest, its beauty inspiring and uplifting.

The Swirl pendant was accorded a Special Mention by the German Design Council.
