

Victor desk

Inspired to the distinctive style of Roberto Lazzeroni who proposes a modern re-interpretation of vintage pieces, Victor stands out for the harmonious contrast between the classical shapes of a design in solid wood and lacquered matt top, available in over 40 colours of Lema's collection. The structure hides useful and functional drawers.

Structure: Wood

Top:
Glossy lacquered
Matt lacquered

65.25" L x 37.5" D x 30" H
