

# Oydo Coffee Table

With their sleek, simple design, the highly versatile Oydo side tables are perfect for furnishing any domestic space, from the living room to the bedroom, where they can be used as discreet bedside tables. Moreover, their understated elegance means they are perfected for sophisticated contract projects too.

The Oydo side tables are available in two versions: one with a round top and one with a rectangular top and different heights. Meanwhile, the wide range of finishes available, including reconstructed marble, marble and stone, gloss and matt lacquered, help to increase the expressive possibilities of the collection.
