

Palma wall light

The design of Palma wall sconce has at its origin the beauty of hanging gardens. It introduces flora combined with indoor lighting, aimed at creating a sense of well-being, calm and cheerfulness into our daily environments. Essential, minimal shapes and materials combine the organic and the immateriality of light. Varying scales available with or without planters and blown glass spheres illuminated by LED.

Palma wall sconce is available in several horizontal and vertical configurations. Please contact the showroom for more details.
