

Night 1385 Bedside Table

DESIGN STEPHAN VEIT

NIGHT - this bedside table with a storage compartment is a class of its own.

The loop and the base in filigree appearing brass-colored or dark bronze metal provide the graceful elegance of this ensemble. With a gentle twisting motion, the storage compartment opens and offers on two levels space for favorite things. The subtle edge formation of the metal corpus and the shelves in natural stone or leather give this table a high-class appearance. An optional second level provides additional storage space. Available in two heights, the "NIGHT" is a stylish companion to various bed concepts.
