

Shell Bar Stool Ultra Brandy

The silhouette of the Shell Bar Stool is elegant and features long lines in solid oak wood and a soft leather backrest swivel-seat in rich and genuine tones and with clean hand tailored stitches. Together with the most recognised leather supplier in Denmark, Sorensen Leather, Mater has selected the most durable leathers that fit with Mater's values and aesthetic. The Sorensen ULTRA leather chosen for the Shell Bar Stool further enhance the 'everyday use' and making it ideal for both commercial and residential use. A layer of foam is making the seating of the chair a more comfortable and soft experience.
