Devon sofa by Jan Armgardt for
Leolux

Leolux and Jan Armgardt have come a long way together and have been very successful. Devon is the crowning achievement of this collaboration. This sofa programme combines the design quality of Jan Armgardt with the craftsmanship that Leolux is known for.

From an individual sofa or a chaise longue to a spacious modular set. Whatever you decide, Devon provides adjustment options with each version for glorious comfort. Thanks to beautiful artisanal details, you can instantly see that Devon is a proper Leolux, with its own specific look.
