

Black Note Duplet wall sconce

Black Note Duplet wall sconce by
Ramón Esteve for LZF

Designed by Ramón Esteve, Black Note is a lamp with perpendicular shades that rise and fall in harmony. Its rhythmic arrangement is inspired by the black keys on a piano, whose sharp and flat notes add emotion and passion to a melody.

Black Note's metallic frame, finished in black and anthracite tones, works harmoniously with its luminous, warm wood veneer shades. Ramón Esteve created three Black Note compositions: Black Note Keys (horizontal), Black Note Triplets (suspension and floor) and Black Note Duplets (wall). These differing compositions, with their rhythmic forms, offer a symphony of light, texture and pattern.
