

DS-142 Chair

A piece of furniture that can do anything: DS-142 is a multifunctional chaise lounge with individually adjustable back- and armrests that can be moved to different positions. It turns this unusual chair into a dynamic, relaxation-boosting system that offers utmost comfort and coziness while taking human anatomy into account.

The synthesis of elegant form and function is rounded off by the masterful workmanship in high-quality leather that is typical for de Sede. The DS-142 ultimately becomes the ideal reclining armchair for a wide variety of applications.
