

LT 40 Frame wall elements

An independent series of units with specific features. LT FRAME consists of 12 types of predetermined compositions.

Twelve types of units broken down into two size represent the pieces of a puzzle composed of colours, wood and transparency, framed in a perfect balance of precise, sharp shapes. Units completed by a discreet yet original LED light that intensifies the entire inner edge.

DIMENSIONS

W - D - H (inches)

43 x 13.75 x 43

36.25 x 13.75 x 53.5
