

Tempo pendant light

Tempo pendant lamps are a design by Lievore Altherr. Vibia presents three designs in two sizes in this collection of pendant lamps, with a choice of the milk glass diffuser shape from the disc, the diamond, and the oval. All inspired by degrees of luminance and the interplay of opacity, translucence, and transparency. All Vibia Tempo pendant lamps use LED lighting and are selectable from graphite, brick, and green finishes.

The Tempo pendant lamp collection integrates perfectly into all types of spaces and contemporary interior design projects.
