

# Rolf Benz Tondo bed

Whether against a wall or free-standing in the room, the floor-level Rolf Benz TONDO bed is invitingly beautiful in every respect. The loose back cushions mean that upright sitting is exceptionally comfortable. And with the wraparound headboard, there's space to sit opposite too. The exquisitely crafted "cuddle lounge" is available in three widths and two lengths, both as a box spring bed and in the classic design with mattress and slatted frame. The Rolf Benz TONDO bed is closely related in stylistic terms to the sofa of the same name, which won the "best of the best" award in 2017, the highest accolade from the "ICONIC AWARDS: Innovative Interior".

Anyone who cannot get enough of the beautifully casual look will delight in bringing all the wonderfully matching furniture together in the bedroom: the Rolf Benz 917 bench, Rolf Benz 916 bedside table and the Rolf Benz 907 valet stand make the ensemble complete.
