

The Lounge Chair

The Lounge Chair builds on The Dining Chair's and High Stool's beautifully fluid, sculptural and archetypal character. The backrest and seat are larger and generously rounded for a heightened sense of comfort. The seat and backrest are upholstered in a soft, durable leather from Sorensen Leather and is fully supportive and comfortable so that it outweighs the need for armrests.

The collection is available in solid oak or beech wood in black stained lacquered, sirka grey or natural matt lacquered oak.

The wood is sustainably sourced from well-managed forests to support the UN Sustainable Development Goals of protecting "Life on Land" (SDGs 15), "Responsible Consumption and Production" (SDGs 12) and "Partnership for the Goals" (SDGs 17).
