

# Lucylle Lounge Chair

Roberto Lazzeroni's refined style with a vintage spirit characterises Lucylle, the family of seating consisting of chair, dining chair with armrests, high and low stool and lounge chair. As delicate as its name, Lucylle is a refined proposal defined by classic and welcoming proportions. With a structure of thermo-treated, solid oak-dyed ash, it has soft padding and upholstery in fabric, leather or eco-leather embellished by lapped seams that emphasises Lema's sartorial side. The stools have footrests in steel.
