

# Teresina Kuoio Chair

Two souls enclosed in the same body: Teresa and Teresina are an armchair and a chair marked by essential lines that take shape and structure thanks to the warmth and solidity of oak wood, skilfully crafted. Both comfort and aesthetics differ in the available versions, "soft" or "kuoio".

The first one is softer and more welcoming, with padded back and seat covered with the textiles and leathers in collection. A special seam with double ribs reveals here the tailoring approach of Meridiani.

The second version takes on a more gritty and decided look thanks to a saddle-leather body that defines back, armrests and seat: the particular saddle leather shape bound up to the oak frame draws a suspended seat that emphasizes its rigor.

This is how this collection recalls different suggestions depending on the finish and color chosen, creating versatile seats able to dress up and interpret every living context.

Chair in saddle leather. Frame in solid oak, black, light, tobacco and white stained.

Padded seat and back covered in saddle leather. Optional removable back cushion in polyurethane foam and feathers.
