

Joi Bench

A seat that combines design and practicality. Joy bench is a furnishing accessory with a matt or glossy lacquered basement, in different colours, and it has a very comfortable padded seat, to be covered as desired, ton sur ton or with a contrasting nuance with the base.

A seat that combines design and function. Joi bench is a piece of furniture with a matt or glossy lacquered basement available in different colours, and a very comfortable padded seat, which can be covered as desired: ton sur ton or choosing a nuance contrasting with the base.
