

Suns Suspension Lamp

Suns is a celestial-like decorative panel that acts to diffuse light and break sound. Designed by Tokyo & Valencia-based Mikiya Kobayashi, Suns is available in three sizes.

Japan is affectionately known as the 'land of the rising sun', and in Suns we find a handmade, circular wood panel that is characterised by a quiet and respectful beauty—an inherent Japanese quality. Without light or electrification, the Suns panel is made up of wood veneer and a metal canopy. Designed to hang at an angle, Suns is striking and stellar when placed in a cluster formation.
