

Maruja Suspension Lamp

An original self-assembly pendant, Maruja was designed by the fresh-faced Gazpacho Studio—it is LZP's first flat-pack fixture. A contemporary lamp, Maruja's design is simultaneously unfussy and decorative. Maruja is a name whose origins lie in Galicia, and signifies both femininity and strength. The do-it-yourself Maruja is packaged with all the components needed to assemble the lamp: wood veneer strips (in several sizes), a circular frame, and pins. Maruja is easily constructed, without the need for any tools or adhesives. Using a pin, each wooden strip is clipped onto the circular frame—insert a light bulb, and you will have created an elegant, handmade lamp. The wood veneer strips hang and move freely, and when illuminated, Maruja sparkles with life.
