

# I-Line Suspension Lamp

I-Line is a smooth and sleek lamp, with a clean, architectural line. Designed by long-time LZF collaborator Burkhard Dämmer, I-Line is available in two sizes.

I-Line's unfussy design is perfect in places and spaces that call for a practical, yet elegant, luminaire: above a countertop or a work table, for example. I-Line's wood veneer, dimmable LED, and light-filtering diffuser, provide both direct and ambient light. In I-Line, Burkhard Dämmer has created a lamp that is simple, symmetrical and serene.

Available in 11 wood veneer colors.

## Dimensions

W - D - H (inches)

### I-Line Short

47.2 x 2 x 2

### I-Line Long

59.1 x 2 x 2
