

# Dan 2043 Chair

This shell chair leaves nothing to be desired in regard to the seating comfort. The slightly flexible backrest and an additionally inserted seat cushion provide cozy snugness. The casual drapery ensures a relaxed sitting pleasure and formal finesse. DAN is available with 2 different chair frames. The 2042 with tapered steel legs black, dark bronze or gold-color coated, or the 2043 with a swivel seat on a black coated aluminum 4-star base. Choose from 3 different types of leather and a total of over 90 color shades.
