

Jola Sofa

Light seat depths, lounge-like upholstery, abundant style – Rolf Benz JOLA encourages relaxed communication with its versatile, international flair. Available as a floating single and sectional sofa with slimline arm and back structures, it impresses the eye with its lightness and dimensions that offer a wealth of planning possibilities. The carefully thought-out feel-good concept ensures enormous flexibility even at the layout planning stage.

With the Relax corner element and various modules in a range of sizes, there are many ways for this sofa to bring people together. Rolf Benz JOLA looks particularly stunning as a two-piece sectional sofa in the unusual arc version. The filigree feet are available in polished cast aluminium, traffic black or umbra grey. Two seat heights, an optional ottoman and the wide range of Rolf Benz covers gives you even more freedom to customize your lounge environment.

The many Rolf Benz JOLA loose back cushions offer plenty of choice: different widths provide plenty of additional space for reclining or more visual transparency, depending on your preferences. Upright seating comfort is guaranteed with the version featuring the concealed-stitching neck cushion. For a “mix & match” style, the material and colour of the sofa body can differ. Positioned on the side sections, the cushions afford a congenial face-to-face conversation between two people – with their legs totally relaxed on the soft upholstery.

Sofa widths: : 176, 196, 216 and 236 cm
- Seat heights: 43 or 46 cm - Seat depths: 70 cm
