

# Lui, Lui Plus and Grand Lui Office Chair

As a swivel chair, the stylish family of Lui chairs will conquer your home office. Like in the dining room, everyone will love Lui, Lui plus and grand Lui here with their casual look with smoothly stretched exteriors and distinctive, soft folds on the inside. The three-dimensionally shaped seat shell promises first-class comfort. The matt black aluminum swivel base with designer castors suitable for hard and soft floor coverings can be rotated 360°, making the office swivel chair extremely mobile. Its 3D movement mechanism enables active, back-friendly sitting for a sitting experience that is always pleasant. The seat height is infinitely adjustable from 45 - 56 cm and can be ideally adapted to body size. And when you need a break? Just roll off into the dining room! There it mingles skillfully with its siblings from the Lui chair family.
