

# Teresina Lounge Chair

Two souls enclosed in the same body: Teresina is a chair and a lounge small armchair marked by essential lines that take shape and structure thanks to the warmth and solidity of oak wood, skillfully crafted. Both comfort and aesthetics differ in the available versions, the “soft” one, more welcoming, with padded back and seat covered with the textiles and leathers in collection, and the “kuoio” one. The latter takes on a more gritty and decided look thanks to a saddle-leather body that defines back, armrests and seat: the particular saddle leather shape bound up to the oak frame draws a suspended seat that emphasizes its rigor. It is available a storage bag as an accessory, to be placed left or right, or even on both sides at your choice. This is how this collection recalls different suggestions depending on the finish and color chosen, creating versatile seats able to dress up and interpret every living context.
