

Carre Black Wall Lamp

The structural balance, the sleek refined design... Used as a table, of ceiling or beside lamp, attached to a wall, or standing as a floor lamp, the Carré perfectly blends into any space. Highlighting its geometrical clarity, the swivel-and-tilt reflector projects its halogen light up and down to give optimal visual comfort for reading, writing, working or just be.

Table or floor lamp available in cordless or wired version, or wall lamp version. 3 finishes available.

Material: aluminum
Finishes: silver, black or gold anodized.
Other finishes upon request.
