

Neptune Floor Lamp

The Neptune, in the shape of a giant E27 light bulb, is a tribute to Edison. Floor lamp or pendant, it is available in two sizes. Easy to ease with its base that unscrews from the base. Efficient thanks to its LED source and clear globe which diffuses a non-glaring light.

Base in polished aluminum or gold.

Dimensions

Ø 15.7 x 24 inches
Ø 11.8 x 17.3 inches
