

# Parabolica

## Chaise Lounge

Parabolica by Leolux - Reddot Award 2009 and Good Industrial Design 2010

Its powerful design makes the Parabolica swivel armchair a fantastic object in your living room. The asymmetric form allows at least three user experiences: sitting “normally”, laid back relaxed or sitting actively with the armrest as a little desk. A real eye-catcher, with great versatility.

### FEATURES

- swivel armchair with left or right arm
- shell base is finished in brushed aluminum or lacquer
