

DS-47 armchair

DS-47 by de Sede

An unmistakable appearance with 5 mm-thick Neck leather and distinctive skin creases – a classic that has made a major contribution to de Sede’s worldwide reputation and exhibits the unrivalled traditional craftsmanship of de Sede. The leather is laid on in one piece, from the outside and working inward. The SEDEX combination with a thicker non-woven cover provides high seating comfort. Available as a two, two-and-a-half and three-seater sofa, an armchair and a stool.
